

Conditions of Application

1. Neither emda nor bioKneX or its partners, the competition organisers, accept any liability for the research undertaken as part of this project.
2. Neither emda nor bioKneX or its partners, the competition organisers, are able to accept responsibility for the research governance of this project.
3. The prize recipients are expected to ensure that before the project commences, a suitable organisation agrees to be the Research Sponsor, as defined by the Department of Health's Research Governance Framework for health and Social Care and/or the EU Clinical Trials Directive, if it involves human participants, their tissues, fluids or their personal data. [see <http://www.dh.gov.uk/PolicyAndGuidance/ResearchAndDevelopment/ResearchAndDevelopmentAZ/ResearchGovernance/fs/en>]
4. The prize recipients are to take full responsibility for any intellectual property arising from any research undertaken as part of this project. For the avoidance of doubt, responsibility is taken as ownership, management or cost of any intellectual property.
5. At 6, 12 and 24 month intervals after receipt of the prize, the recipients are required to submit a brief report of their research project and its outcomes on no more than 2 sides of A4, including a lay summary.
6. Any applications for further funding and publications, as well as their outcomes, should be cited. The report may be used for promotional purposes.
